

RULES AND REGULATIONS

ENUMERATION 2020

1. REGISTRATION

1. Teams of atmost 2 (two) people can register.
2. Individual participation is allowed, but is voluntary. There will be **no** compensation, in terms of time, money, resources, extra credit for individual participation though, i.e. they will be evaluated on the same criteria as a team of two.
3. Registration has to be done online by filling in the form available at the Enumeration page on www.pravega.org/
4. Students are encouraged not to register in multiple or false name(s), as qualification would require production of valid ID proof from one's parent institution.
5. All students, currently studying in classes 12 and below, and in colleges upto the third year of their undergraduation are eligible to participate for the school level and college level respectively.
6. Qualification for the Finals entail submission of a valid ID proof, at a date stipulated later.

2. GENERAL GUIDELINES

Prelims

1. Prelims will be held in a completely online format.
2. Participants need to log in to the website via their own devices for the prelims.
3. Not more than one login will be allowed during the prelims.
4. There will be an objective part and a subjective part. Allotted time will be mentioned soon.
5. Competition is open book. Participants are free to use any software or take help from the internet.
6. Subjective portion will be corrected subject to qualification through a minimum cutoff score in the objective section.
7. Objective part will be held in the aforementioned website. For the subjective part, teams need to submit by taking photo or whatever means but must be organized in a single pdf file to the mail id that will be provided. The submission should be legible. If illegible, then any decision in this regard will

be taken by the organizer.

8. All qualifiers will be intimated through mail.
9. Solutions of the prelims questions might be uploaded on the website or sent through mails at a later time.
10. No queries regarding the cutoff shall be entertained.
