

Dota 2 Rules

1. The participants must have a valid Steam account with Dota 2 installed.
2. The use of any mouse macros is banned.
3. Use of any scripts/mods (except visual mods/texture packs) are strictly prohibited.
4. Being toxic and/or flaming the opponents or teammates will be frowned upon.
5. Use of headphones/earphones is mandatory.
6. The game will be played in Captain's Mode. (For more info visit https://dota2.gamepedia.com/Game_modes#Captains_Mode)
7. Players must bring their own gaming equipment (Laptops/Mice/Keyboards etc).
8. Each team is limited to 3 pauses per match, given that they are able to provide a fair reason for each pause.
9. It is recommended that each team registers as a 5 stack. In case they do not have 5 people in their team, they can come here, communicate with the other teams and merge if both the teams consent.
10. Changing teams mid tournament is strictly prohibited.
