Pravega Honour Code Guidelines

December 16, 2019

1 What is Honour Code?

Honour Code is a competitive programming event organised by Pravega 2020.

2 How do I register for for Pravega Honour Code 2020?

Head on to The Pravega Website, and simply follow the instructions there.

3 Is team participation allowed?

No, this is a strictly individual event. Any form of plagiarism will not be entertained.

4 When are the prelims?

There are no prelims, only a single online round.

5 Do we have to come to IISc to participate?

No, as said before, this is a purely **online** event. The participants are **NOT** required to be present at IISc, and will **NOT** be reimbursed for any travel, and will **NOT** be provided any accommodation.

6 What platform would be used?

We will announce this on the website, as well as inform through email.

7 What are the prizes?

Total prizes are worth above Rs 30,000 .

8 How will we receive the prizes?

For award money, we will be asking for the bank details of the winners, to which we will directly transfer the money.

9 Terms and conditions

- Pravega holds the rights to disqualify any participant, if found guilty for any malpractices, including, but not limited to, plagiarism.

- The organisers may, at any point, aemend the rules without any notice, by posting the amended version on the website.

- Only the teams eligible for any prizes will be contacted through email after the contest
